

# Changing Perspectives: Dementia & the Senses

Dr. Elaine M. Eshbaugh  
*Associate Professor of Family Services & Gerontology*

Wednesday, April 12; 7 pm  
Schindler Education Center 220  
University of Northern Iowa

Have you ever wondered how people with Alzheimer's and related dementias experience the world? This presentation will discuss changes in sight, hearing, touch, smell, and taste.

*Family caregivers, professional caregivers, community members, and students welcome.*
